After Twenty-Three Years of Excruciating Agonies and Sufferings Mrs. Welcher is Cured By

Paine's Celery Compound

The Life-Saving Compound is the Trusted Spring Medicine in Millions of Homes Throughout the World.

From time to time adventurers and speculators without conscience or soul, actuated only with a desire to make money easily and fast, resort to the compounding of worthless and dangerous preparations and advertise them as cures for the common diseases that afflict men and women in springtime.

MRS. H. A. WELCHER, Kingston, Tenn., Had Suffered Agony for Years.

Would to Heaven that the cry of danger! danger! could be sounded in the ears of all who unthinkingly buy and use such deceptions and frauds.

Fortunately honest druggists despise such worthless remedies and refuse to sell them. They will tell you with candor that Paine's Celery Compound is the spring medicine they can recommend. They know its composition, are acquainted with the facts of marvelous cures effected by it, and have seen its happy results amongst their personal friends.

Can you, dear sufferer, hesitate to try this disease-curing medicine? It has restored to health and the full enjoyment of life tens of thousands when doctors were unable to cure. Mrs. H. A. Welcher, of Kingston, Tenn., says:

"It gives me great pleasure to tell the world what Paine's Celery Compound has done for me. For 23 years I have suffered with chronic flux or ulcers of the bowels. I have had eight or nine of the best physicians of the state at different times to wait on me, but never had any relief. I was treated by several of Knoxville's best doctors, and I after seeing so many testimonials and so many that I knew, I was induced by my son to try a bottle, and before I had used the first bottle I could feel quite a difference—that I was getting stronger, and I enjoyed my food more, and after taking four bottles I was entirely cured. I only wish that the medicine could be placed in the reach of all suffering humanity."

**The Stomach Is the Man.**  
A weak stomach weakens the man, because it cannot transform the food he eats into nourishment. Health and strength can only be restored to any sick man or weak woman without first restoring health and strength to the stomach. A weak stomach cannot digest enough food to feed the tissues and restore the tired and run down system and organs of the body. Kodol Dyspepsia Cure cleanses, purifies, sweetens and strengthens the glands and membranes of the stomach, and cures indigestion, dyspepsia and all stomach troubles. J. Jas. Wood & Son.

The Price of Pleasure.

It is hard for a lovely woman to forego the pleasures of the life which she was created to enjoy and adorn. She may have to be busy all day in office or in store, yet she cannot deny herself the social pleasures which are offered her. But the fatigue is often too great for her, and she suffers from headache and backache as a consequence of over-exertion. Women who are tired and worn out will find a perfect tonic and nerve in Dr. Pierce's Favorite Prescription. It cures headache, backache and the other aches and pains to which women are subject. It establishes regularity, dries weakening drains, heals inflammation and ulceration, and cures female weakness. It makes weak women strong and sick women well.

"I am so pleased with your instructions, I hardly know what to thank you for for your kind favors," writes Mrs. Milo Bryant, of Lota, Thomas Co., Ga. "I suffered so much with great pains in my back and stomach and palpitation of the heart, that at times I could hardly lie down. Could hardly get up in the morning, but after using three bottles of 'Favorite Prescription' and two vials of Dr. Pierce's Pleasant Pellets, I am like a new woman."

Sick women, especially those suffering from diseases of long standing, are invited to consult Dr. Pierce, by letter, free. All correspondence is held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

### THOMAS, THE MERCHANT.

Insurance Company Wins a Case Against Him in Cincinnati.

The case of W. W. Thomas and the insurance Companies which have been at his heels ever since the discovery of irregularities in his way of doing business, was again up in the United States Court at Cincinnati Thursday. The Imperial Company of London brought suit to have set aside the deed of transfer of Thomas's place in Third street, which was made to the Cream Tartar Baking Powder Company, and on which property several other insurance Companies were alleging liens.

The Imperial claimed that the transfer was fraudulent, and that Thomas himself was the company, and it was asked that the transfer be set aside and the property made subject to a judgment which the Imperial secured against Thomas some time ago for \$2,100.

The Court ordered the transfer set aside. Subsequent to the transfer of the property to the company it was made over to attorneys for Thomas.

## Mrs. Fred Unrath,

No. 228 Territorial Street, Benton Harbor, Mich.

"I am pleased to give my experience with Wine of Cardui as I am very grateful for its help. After my first baby was born I could not seem to regain my strength, although the doctor gave me a tonic which he considered very superior, but instead of getting better I grew weaker every day. My husband came home one evening with some Wine of Cardui and insisted that I take it for a week and see what it would do for me. As he seemed to have so much faith in it I did take the medicine and was very grateful to find my strength slowly returning. In two weeks I was out of bed and in a month I was able to take up my usual duties. I am very enthusiastic in its praise."

Mrs. Fred Unrath.

hers, as are their ambitions, triumphs and defeats. Healthy women do not suffer from miscarriage nor does a woman who is healthy suffer from childbearing. It is the woman who is ailing—who has female weakness—who fears the ordeal of becoming a mother. Wine of Cardui builds up the womanly in a woman. It stops all unnatural drains and strains—irregularities which are responsible for barrenness and miscarriage. It makes a woman strong and healthy and able to pass through pregnancy and childbirth with little suffering. After the ordeal is passed the Wine prepares a woman for a speedy recovery to health and activity.

Wine of Cardui, in re-inforcing the organs of generation, has made mothers of women who had given up hope of ever becoming mothers. Wine of Cardui will cure almost any case of barrenness except cases of organic trouble. How can you refuse to take such a remedy that promises such relief from suffering? Wine of Cardui simply makes you a strong woman, and strong, healthy women do not suffer. They look forward to motherhood with joy.

# ECONOMY

## IS WHAT THE TIMES DEMAND.

Money saved is the easiest money made. You may wear cheap clothing and be respectable, but you can't eat impure and unwholesome food and be healthy for any length of time. So when it comes to buying supplies for your table it is economy to buy the best. My annual CUT PRICE sale for CASH is now on, and when I say cash price that is what it is!

During that entire time I have worked hard and necessarily to build a trade for first class goods and to establish and hold a reputation for honorable and fair dealing. My success in business has proved to me that I have not worked in vain. My business has steadily increased from the beginning. I intend to continue in the same old way. For your very liberal support you have my most sincere thanks, and I most respectfully ask for a continuance of same. I want country people when in our city to visit my store and make it their headquarters. You are always welcome.

Remember, I run two delivery wagons, and it is always a pleasure to deliver goods. If you can't come to the store call up.
